

Eye-Wear for Eye Problems / Blindness [Zambia and Sierra Leone]

*

Under SSAAP's Health Outreach Funds, in January 2014, eyeglasses were donated to SSAAP to assist specifically with Zambians and Sierra Leoneans suffering from an inability to see properly.

Kindly answer the following questions:

1. How have your eye problems affected your life?

2. Has anyone in your family been blind?

3. Have you ever been diagnosed with an eye condition?

4. Have you ever been diagnosed with Uveitis? _____

5. Have you ever had problems with your eyes or eyesight?

6. What kinds of problems? _____

7. Is there anyone in your life (yourself included) that could benefit from a pair of eyewear to help prevent the onset or spread of problems in your eyes?

8. Who? _____

9. How many pairs of eyewear do you require, for yourself and for your family? _____

Name _____ Signature _____ Date _____

Thank you for working with SSAAP: A program created by the people and committed to serving the needs of its people.
