

Relief Food Distribution [Zambia and Sierra Leone]

*

Under SSAAP's Relief Food Distribution Program, started in July 2015, food relief will be available via *ABC Food Ministry*, through Lifeline Christian Mission (Westerville, Ohio; U.S.A.). Volunteer groups and clubs working with ABC Food Ministry will pack and donate relief food through SSAAP to assist specifically with the hunger issues of Zambians, as well as Sierra Leoneans suffering specifically from a lack of food due to farming shortages in 2014/2015 as a direct result of the Ebolavirus (EBOV).

Kindly answer the following questions:

1. How has your lack of food affected your life?

2. Has anyone in your family been hungry?

3. How could the relief food donated by ABC Food Ministry, distributed through SSAAP, serve yourself and your family?

4. Have you ever been diagnosed with malnutrition?

5. Have you ever had problems with malnutrition in your family?

6. What kinds of problems? _____

7. Is there anyone in your life (yourself included) that could benefit from relief food to assist with health issues related to hunger?

8. Who? _____

9. How many packets of food do you require, for yourself and for your family? _____

Name _____ Signature _____ Date _____

Thank you for working with SSAAP: A program created by the people and committed to serving the needs of its people.
